

GOLDEN GATEWAY  
TENNIS & SWIM CLUB

## GGTSC Tennis Fans Gather Online with Top Dog Our Game Arranging/Tennis Roster Service

Golden Gateway Tennis & Swim Club is pleased to introduce Top Dog, an interactive software program that enhances communication within our tennis community and increases participation in our events. It's a great way to meet other players at your level and to arrange games!

### **How to Get Started**

\*Update your information by filling out a "new tennis roster" or e-mail Kristen at [kwaugh@ggtsc.com](mailto:kwaugh@ggtsc.com). Include your skill level, best time to play, e-mail address, and phone number. We will enter you into the system initially.

### **Logging In**

1. Go to our Web site ([ggtsc.com](http://ggtsc.com)) and click into our Xpiron reservations site. Enter your e-mail address with your password. Once you've entered Xpiron, click on the "Tennis" tab as usual. You will see at the top of the screen "Tennis Roster." Click here to start the new roster software, TopDog. Or go to: <http://www.topdogtennis.com/leaguesforfun>
2. The initial screen shows the TopDog GGTSC Club Home Page and lists tennis events. To log in, select "login" at the top right of the screen.
3. To log in to TopDog, enter your e-mail address as your user name. Your initial password is set to "tennis" or "ggtsc."
4. Once on the site, you will see your own profile with your skill level rating. Please verify that all of your information is correct.

### **Update Your Info**

5. If you wish to change or update any contact information, hit the "Edit" tab near the top of the screen. If you want to display your telephone number to other players, click the "Show" box. Otherwise, only the site administrator will see this information. Please check that all information is correct.
6. Set up your availability. This lets other users know when you are typically available to play. You can search for opponents based on their availability. Click the Availability tab, tick the appropriate boxes, and save.

### **Find a Match**

7. This is the feature that allows you to search for an opponent based on the times you like to play. You can also narrow the search using Gender and Rating level. If you have a court booked for Tuesday night and have no one to play, use the appropriate search criteria and a list of possible opponents will appear. Click on a players name to pull up their profile and then send them an e-mail! **\*\*\*Please note that you will not be able to see the individual's e-mail address.**
